### NEW FamilyLife Today Hosts - Dave & Ann Wilson

Dave Wilson was an All-American quarterback at Ball State University. After graduating in 1980, Dave had to choose between a free agent contract with the Cincinnati Bengals, or a road in ministry. Choosing ministry, he also made another GREAT decision in marrying Ann (Baron).

Something you won't find in the main "announcements" but we picked up on (of course!), is that in the early 80s, the Wilsons traveled west, joined Athletes in Action (a Cru Ministry) and **served on the campus of the University of Nebraska, Lincoln!** Dave served as Chaplain for Nebraska's football, basketball, baseball and wrestling teams.

Dennis Rainey, along with Bob Lepine, started the FamilyLife Today radio program 26 years ago! Currently, our radio program can be heard in all 50 states on more than 1,300 radio outlets, as well as online and through the FamilyLife app. Bob Lepine remains with FamilyLife Today, welcoming the Wilsons who are no strangers to FamilyLife.

If you've used our DVD study, The Art of Marriage, you've seen the Wilsons share their story in the session on communication and conflict. The Wilsons also serve on the Weekend to Remember speaker team, and will be speaking in Chicago and Orlando this spring/summer.

The Wilsons effectiveness in communicating and connecting with listeners is directly tied to their authenticity and transparency. Allowing God to reveal Himself through their past victories and failures. Dave and Anne shared in a recent FamilyLife Today broadcast **how rough things were early in their marriage** and, with that, you hear why they are passionate about FamilyLife. It was only six months after their wedding date and Dave made this proclamation to Ann:

*"I've just been reading God's Word where Paul said, 'To live is Christ and to die is gain.' I just told God, 'God, I'd rather be dead than married to Ann.'"*

Ouch! Bob Lepine inquired, "...how did you get out of, six months in, 'I wish I was dead and not married,' to six months later being, 'Okay; we've got this back on track?'"

Dave's reply? "...**we really did pull out the manual, the FamilyLife® Weekend to Remember manual.** I'm not saying it's magic and it's got all the answers, but it was our only source of 'What does God's Word really say?' Two things happened - one: we pulled it out and said, "Okay; let's start at block one. What are the five threats?" We're like: "Wow! All of these are hitting us. What does God want to do?"

*Number two - we started teaching it...**As we taught it, we internalized it.** It literally started changing our life."*

ISN'T THAT AN INCREDIBLE STORY?! FamilyLife, through Weekend to Remember, impacts the life of a couple, who chooses to help others and grows in the process. They multiply The Message and God blesses them, abundantly!

**As you invest in us and our ministry, YOU are a part of stories just like this! Exciting isn't it?!** Many stories you won't hear about until we arrive in eternity, but some of them, we LOVE being able to share with you as we give thanks to God for you standing with us.

Part of the recent radio broadcast, the Wilsons talked about their new book, "**Vertical Marriage.**" We've secured a few copies of this book. If you would like one, let us know...we're happy to mail one to you.

*With love from LITTLE ROCK, Bob Pam*
