### Strengthening Marriages Across The Country

Perhaps you have some people in your life that you are **ministering** to in a personal way, making a difference in their life. Perhaps you're **praying** for a number of others and though you don't connect with them as intimately, you ARE making a difference on their behalf. AND, since you **partnering** with us, your investment and prayers reached 59,647 people who attended one of 95 Weekend to Remember events during our last fiscal year. Most of these people, you'll never know, except perhaps in eternity when you worship God with them! Until then, read these testimonies as a personal "THANK YOU" note from the heart of the life you touched.

**Anaheim, CA**, April 12-14, 681 attendees:

*"I know the Holy Spirit was moving date night and the work He did preparing my heart for this weekend. I know God is at work in a powerful way and we are beginning the journey of rebuilding trust."*

**Portland, OR**, November 16-18, 694 attendees:

*"We were headed toward isolation and now we are both set on oneness."*

**Boise, ID**, March 15-17, 708 attendees:

*"WTR has given me renewed hope that my marriage will recover from infidelity, hurts, pain, and hopelessness. God has used this ministry to make a difference!"*

**Lake Tahoe, UT**, April 12-14, 412 attendees:

*"In the midst of raising two young toddlers and navigating military life, this weekend was the perfect chance to get away and recommit our marriage and family to God's design and to reconnect to each other."*

**Phoenix, AZ**, June 28-30, 826 attendees:

*"Marriage is off life support and in recovery."*

**Estes Park, CO**, November 2-4, 565 attendees:

*"We were here as a last resort to "fix" our marriage. It did not disappoint. We were dealing with my infidelity and the forgiveness of it. Thank you from the bottom of my heart! We've recommitted to each other & our precious marriage!"*

**Hershey, PA**, February 15-19, 2009 attendees:

*"Since our son was born, my wife and I have grown further apart. She is open with me but I just shut down. Things have gotten worse and worse. Just in the first few sessions here, I can already see walls being broken down between us. We have been closer now than we have been in a really long time. This weekend has saved our marriage, our faith, and our family. Thank You!"*

**San Francisco, CA**, April 12-14, 388 attendees:

*"My husband did a 180 degree turn in his attitude toward getting help for our marriage. I think his misconception was that weak men seek help. The powerful and masculine male speakers got his attention and in no time, he was laughing and totally engaging in the conference. His fear was that others he knows who got counselling ended in divorce, even though we were headed that way. He knows more about me and is less afraid to get help for our marriage. He's committed to working on his part, what he owns, in our marriage."*

**Houston, TX**, May 31-June 2, 593 attendees:

*"There is no individual weekend getaway that you will be so focused, recharged and improved as this!"*

We are now committed to healing and restoration. No divorce. I have hope again and I know the love and power of God."*

**Hilton Head, SC**, February 15-17, 528 attendees:

Perhaps you have some people that you are currently speaking with about who Jesus is and why that matters. Along with that incredible blessing, through our ministry, **you were a part of 930 people** (that we know of) **who indicated placing their faith in Jesus!** Now THAT'S something to shout praises to the Lord about!!

WITH THANKS TO GOD FOR YOU, Bob Pam
