REALLY...

...BIG...

...NEWS!!

As a treasured partner in ministry, we want you to be among the first to know of a major decision by FamilyLife's leadership that will further enhance our vision of reaching every home for Jesus Christ!

**This recent decision is that in the summer of 2020, FamilyLife will relocate its headquarters from here in Little Rock, AR to Campus Crusade for Christ's (Cru) headquarters in Orlando, FL.**

Founded in 1976, and operating from this current location for the last 25 years, our mission is "To effectively develop godly marriages and families who change the world one home at a time." It's the vision and impact that captured our hearts in 2002 and then led us to join staff in 2010 - a vision and impact that you know well and has likely touched the lives of people you care about.

MAKE NO MISTAKE - FamilyLife's mission and outreach are the same, retaining its separate organizational structure, personnel and governance. Actually, *the overall strategic direction for FamilyLife will be significantly and positively impacted by this move for decades to come, bringing together capabilities and insight, collaboration and experience, people and skills for both FamilyLife and all of Cru, both in the U.S. and overseas!*

Both of us are **anchored in our calling to FamilyLife and in Bob's placement in leadership** as National Director for the Weekend To Remember Ministry Rep Department. We believe strong leadership will be even more important in the years to come as we navigate change and seek to shepherd well those in our care.

Our **primary prayer item** in the coming months is to discern how getting to Orlando will work for us financially. Orlando has a higher cost of living and we may encounter a loss on the sale of our Little Rock home since we moved from Lincoln, NE earlier this year. Our goal would be to get to Orlando within the next 12 months.

Here's a video featuring our President, David Robbins in which he describes more about FamilyLife's mission and the strategic reasons behind relocating (link - <https://youtu.be/T9XZODCJA2k>).

Please feel free to contact us with any questions you may have, or just want to talk or pray with us. Of course, as we walk through this journey, we will provide regular updates via our Letters. We certainly treasure your prayers as we trust God in this next phase for FamilyLife and for us!

GRATEFUL FOR YOUR ONGOING, KINGDOM  
INVESTMENT IN US! Bob Pam
